**January 2014**

In accordance with regulation 6 (5) of the Public Procurement Regulations, all members of the Procurement Review Committee participating in a meeting to consider and approve a Bid or Proposal Evaluation Report and recommendation for award of a contract shall sign this Statement and append it to the No Objection issued upon conclusion of the meeting.

**Statement on Ethical Conduct**

Procurement Proceeding: \_\_\_\_\_  
*(insert title and number of contract)*

We the undersigned, being members of the Procurement Review Committee, hereby confirm the following:

During the procurement process and the evaluation of bids and proposals, we have adhered to the ethical standards set out in the Public Procurement Act and the Public Procurement Regulations of Tuvalu.

In the execution of our duties, we have neither solicited nor received nor will receive any benefit either monetary or in kind from any contractor, supplier or consultant, or their agents or representatives, in addition to our official remuneration as public servants.

To the best of our knowledge and belief, no relative, associate or colleague has received or will receive any benefit either monetary or in kind from any contractor, supplier or consultant, or their agents or representatives, in addition to their official remuneration.

We are unaware of any fraudulent or corrupt practice having taken place during this procurement proceeding and shall report such practices should we become aware of them at any time hereafter.

No conflict of interest exists either on our part or the part of the bidder or consultant recommended for award of this contract or, as far as we are aware, on the part of our relatives, associates or colleagues.
